SERVE MOSES LAKE

CURRENT HAPPENINGS

A new year with new opportunities

Serve Moses Lake has been a part of this community since 2008. Serve was founded by the Moses Lake ministerial Association of Churches and has been a compassionate outreach conduit by "helping people find the help they need, encouraging reconciliation, and connecting them to the local church."

Advocacy, agency and resource referrals, daily meals, financial assistance, food

baskets, furniture, non-food pantry items and homeless outreach have been provided over the years. After the impact of the COVID lockdowns and the loss of our Executive Director, the Board of Directors spent 2022 completing a review of our strengths and weaknesses. It was concluded that by making some changes Serve Moses Lake could move into a position of having a more dynamic impact on our community. Serve Moses Lake is unique in that it works with local Christian churches to combine

EXECUTIVE DIRECTOR UPDATE

Newly Appointed Interim Director

Other big news for Serve Moses Lake is the appointment of an interim Executive Director. Lynn Logan accepted the position at the end of November. She will be working with other board members to meet with

supporting church pastors, staff, and resource agencies to allow them personal time to receive updates, ask questions and help navigate the upcoming changes. Lynn is looking forward to working with the amazing and talented

group of dedicated volunteers currently at Serve. She says it is an honor and privilege to work beside them. Exciting days are ahead for everyone whose lives are touched by Serve Moses Lake.
